

TO THE 2020 NEWS SCHOOL GRADUATES, CONGRATULATIONS.

We have been inspired by every one of you.

Last month, we launched News School, a nightly education programme designed to give young people from a variety of backgrounds an opportunity to learn about the news and media industry. The representation of young people from diverse backgrounds entering the industry is disproportionately low. We want to address this issue and ensure we're representative of the communities we serve.

We are proud to congratulate our inaugural class of News School 2020:

Aishah Rahman, Alessandra French,
Amarachi Orié, Andrea Arhagba, Charlie Daws,
